

We've partnered with Tripkicks to provide travelers up-to-date insights and important information when booking in Concur Travel.

Tripkicks integrates with Concur to show a variety of actionable travel insights when you search for flights and hotels:

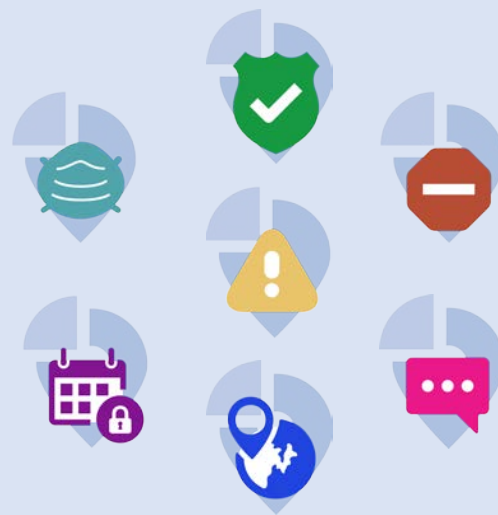

Entry Restrictions - Learn about restrictions in place that may prevent you from entering your destination.

Quarantine Requirements - Be informed when quarantine is required upon arrival at your destination and also upon your return home.

Covid-19 Data - View current statistics and trends on Covid-19, comparing your origin with your destination.

Travel Alerts - See real-time insights on anything that could potentially disrupt your trip from origin to destination and return.

Tips and Info - Receive travel tips from our travel team as well as info on our suppliers to help you make the best decisions.

guidance and insights for **EMPOWERED TRAVELERS**

ACTIONABLE INSIGHTS

Empower travelers with info on Health & Safety, Covid-19, Entry Restrictions, Quarantine Requirements, Destination Intel, Supplier Insights, and more.

BEHAVIORAL GUIDANCE

Guide employees to the best decisions by calling attention to suppliers that are most preferred, more Eco-Friendly, and beneficial to both the traveler's experience and your program's compliance.

DYNAMIC MESSAGING

Robust custom messaging tools enable company-created notes for all searches, destination-specific flight/lodging searches, or messages dynamically linked to specific suppliers.

MAKE BETTER DECISIONS

Tripkicks is a simple add-on to SAP Concur that empowers travelers with actionable trip insights on everything they need to make the best decisions and be better informed on what to expect.

Travelers can see destination-specific travel alerts as well as supplier insights while searching for flights and hotels within Concur Travel, and companies can leverage Tripkicks' Dynamic Messaging to guide travelers and influence behavior.

Tripkicks provides travelers with Actionable Insights, Behavioral Guidance, and Dynamic Messaging directly within their Concur Travel search results.

Informed Travelers

Travelers can see real-time insights and alerts about their travel while booking their trip. Information on safety, travel disruption, their destination, Covid-19, supplier intel, and more; ensures that travelers are empowered to make the best decisions.

Enhanced Communication

Use Tripkicks custom messaging to enhance communication with your travelers during the booking process. Provide travelers with guidance on company destinations, processes, links to external/internal resources, or any other important notes.

Improved Compliance

Identify and highlight preferred suppliers, calling attention to select attributes and providing more information to travelers about these suppliers, and their relevance within your program.

Integrated Seamlessly

As an SAP Concur App Center Partner, Tripkicks is seamlessly integrated within the booking experience of Concur Travel. Travelers can access everything they need without ever leaving the booking tool.
